OVERVIEW

Libra's unobtrusive luxury creates a homey atmosphere and will make you feel welcome and comfortable from the very first minute you step on board. Libra stands out from the gulet offer in the Adriatic for her beautiful and spacious mid-area where the lounge set is placed. A comfortable seating area and elevated area with a couple of daybeds so you can catch some rays in peace before simply siding into the sea using one of the stairs on both sides of the yacht when you need to cool down. This mid-area in addition to the sunbathing area at the front and al fresco dining area on the aft makes Libra's outside deck space completely approachable for the clients, there is no part of the deck that is not used for relaxation and enjoyment, which is one of the main reasons for her outstanding charter accomplishments. A large wooden gulet with two masts is sailing on the sea at sunset. The boat has a white hull and a dark wooden upper deck. It is moving from left to right, leaving a white wake. The sky is a mix of blue and orange, with some clouds. In the background, there are dark mountains. The text 'GULET LIBRA' is overlaid in white on the boat's deck.
